

## Chapter 1675 Tool Crib Loan Agreement

I agree to the following terms for borrowing tools from the Chapter 1675 Tool Crib and our members.

1. The borrower releases Chapter 1675 and the owner from any damages or liability that may arise from the tool or its use.
2. Chapter 1675 and the Tool Owner make no guarantee that the tool you are borrowing is suitable for the purpose that you intend.
3. The Tool or machine is not maintained in calibration, which may be required for your purpose.
4. The borrower will read all appropriate manuals or instructions supplied with the machine or linked on the EAA 1675 website before use. If unfamiliar in the use of the tool, they will ask for assistance to ensure a good outcome.
5. The borrower will exercise good care and judgment in the use of the tool and not damage it.
6. If the tool or machine is damaged, it will be replaced or repaired to the satisfaction of the tool owner (or Chapter 1675) by the borrower.
7. Lost property will be replaced at the expense of the borrower.
8. There is no charge for the tool loan.
